Testimonials and Awards

" A wonderful underrated venue"

Upton House was the perfect venue for us. We had an amazing day. The setting was beautiful and the staff were wonderful. One thing we loved is how many rooms you have available. With the help of the team at Upton in the planning stages we found great ways to use each space differently, in a way to add to the day! I can't recommend Upton House enough and the price is even better!

"Spring Wedding"

We got married on the 17/5/25, we choose UCP as we are there pretty much every week with our 3 children, so it was the perfect venue for us. The House is stunning, with lovely open light rooms and a quirky, hidden bar. It barely needed any decoration. The grounds are beautiful, and perfect for photos, especially as the sun was out! The staff were great, very professional and everything ran smoothly. Lauren told us not to think or worry about a thing and to enjoy our day... and we really did! I would highly recommend UCP as a venue.

"Wedding Reception"

We had our wedding reception at Upton House and it was the most magical experience. From the very beginning Lauren was friendly, responsive and listening to us. Upton House is the most beautiful scene for any event. I couldn't have asked for more and we were blown away with how easy everything was for us. Thank you so much for everything.
